ADVICE FROM THE INTERNATIONAL DESK

Means of Payment & Banking Specificities

Cash payment by SWIFT transfer before shipment of goods is highly recommended. The provision of an export credit agency backed financing or, potentially, an irrevocable and confirmed letter of credit should also be considered.

The confirmation of documentary credits in Lithuania is scrutinised on a case-by-case basis depending on the counterparty and duration of the commitment. The majority of transactions in Lithuania are still paid in advance, as advised above.
