bank will support you via its [Network of International Desks](#), thus simplifying your processes for opening accounts. Our International Desks draw on international banking branches of the Crédit Agricole Group and on a network of large foreign commercial banks, including the Unicash network, with which the Group has partnership agreements, covering over 90 countries in total.

YOUR NEEDS

You would like to open accounts abroad in Euro or in local currencies to support your commercial growth.

AND MORE

- In the countries where Crédit Agricole is present we will provide you with a continuous relationship to help you open accounts in Euros or foreign currencies.
- You will benefit from our partnerships, which include the Unicash* network, a frontline banking network in each country with a privileged welcome and negotiated conditions for the processing of your banking operations.
- Our bank is your contact partner for the processes of opening the required accounts.
- If you would subsequently like to receive account summaries or repatriate balances, our bank will implement centralised features adapted to your needs.
- We will support you daily in monitoring these account.

**Unicash is a network consisting of 13 banks that are leaders in their markets.*
